Everybody's going wild over that new TV show featuring "The Caped Crusader" and his teenage side-kick. But has anyone ever wondered what it would really be like as the side-kick of a "Caped Crusader"? Would a typical red-blooded teenage boy really be happy dressing in some far-out costume and spending all of his free time chasing crooks? Or would he much prefer dressing in chinos and go-go boots and spending all of his free time chasing chicks? We at MAD think the latter! In fact, we're ready to prove it! Let's take a MAD look at "Boy Wonderful" as he is slowly being driven...

# BATS-MAN

WRITER LOU SILVERSTONE ARTIST MORT DRUCKER

Meanwhile, at Franklin D. Wilson High School...

Hi, Zelda. Would you like to go to the dance with me Saturday night?

I already have a date with the captain of the ping-pong team! You can't expect a girl to be seen with a non-athletic type like you, Gray Dickson!

Hi, Candy. How about going to the dance with me?

You've got a lot of nerve asking me for a date after what happened the last time I went out with you, Gray Dickson! Ditching me for a middle-aged lady! I saw you sneaking off down the back staircase with her!

Holy Tony Curtis! That was no lady—that was Bats-Man! He came to get me when "The Kibitzer" escaped from jail! This "Boy Wonderful" bit is really lousing up my love life! I'm going to have to straighten a few things out!

Neuman, did Gray come home from school yet?

Yes, sir. Master Sparrow went directly below to the laboratory.

That was Sparrow! He must be in danger! I haven't a moment to lose! To the Bat-Slide!

What's wrong, Boy Wonderful?

Wait till you see the Bat-Scope!

Did you discover the hideout of that evil menace, "El Bufon"?

No, the dressing room of Jill St. John! Holy 38-24-36!!!

Now, now, Boy Wonderful ... not nice, not nice!

Holy Squaresville!

Let's think about other things!

Which reminds me, I'd like to borrow the Bats-Mobile tonight!

I don't understand

Holy Kinsey Report! I've got a date with a girl! Finally! And believe me, it wasn't easy!

I've always dreaded this moment! Sparrow, you are growing up! Yesterday you were just a little Boy Wonderful, and today ... well, it's time we had a man-to-bird talk!

*It's a life of smiles, and a life of tears;  
A life of hope, and a life of fears;  
But remember, there's a Bluebird of Happiness!*

Holy Cornball! Listen, don't get me wrong, Bats-Man ... I don't mind fighting crooks and running around in my underwear! But I'd also like some time for good, clean teenage activities, like making out and sniffing airplane glue and talking for hours on the phone ...

But Sparrow— You have your own private phone!

Holy Don Ameche!  
Some phone! A  
direct wire to  
the Commissioner's  
office!

It just happens that the Commissioner is  
a very witty conversationalist! And not  
only that . . . wait! The Bats-Phone! Hello,  
Bats-Man here! Oh, Commissioner, we were  
just talking about you! No! Really? Okay!

It was the Commissioner! He's bored out  
of his mind! He said we've been on the air  
15 minutes and we haven't had one fight,  
seen one weird villain, or scaled one wall!  
Better get the Bats-Mobile ready!

But what  
about  
my date  
tonight?

What's wrong with you kids today? Your date  
will have to wait until evil and injustice have  
been erased from Gotham City! And after that,  
we've got problems in Asia! If you really feel  
the need for feminine companionship, there's  
always Aunt Hattie!

Man, that Bat bugs me! I ask for one lousy  
night off and he gives me the whole darn  
Pollyanna schtick! Okay, baby, you asked  
for it! There's only one cat sharp enough  
to knock you off, Bats-Man, and that's me!

**Leapin' Lizards!**  
**It's Sparrow**  
**Versus Bats-Man!**

This bomb  
attached to the  
ignition will  
fix his wagon!

The  
Bats-Mobile  
is all  
set to go,  
B.M.

I wish you wouldn't  
call me that,  
Sparrow! It sounds  
like an old Jack  
Paar joke!

I've been thinking . . . you know how kidnap-prone Aunt  
Hattie is! Well, wouldn't it be wise if one of us stayed  
here to protect her while the other zooms into town in  
the Bats-Mobile, waving at pretty girls on the road, and—

Good  
thinking,  
Sparrow!  
I'll go,  
you stay!

That's better. At least now I  
look like a normal teenager!  
And in a few minutes . . .

## Holy Mushroom Cloud! Can That Be The End Of Bats-Man?!

Bats-Man!  
Are you  
all right?

That was a close call, Boy Wonderful! If I hadn't fallen out of the Bats-Mobile on that sharp turn outside the Bats-Cave, I'd be Bats-Burger by now! The car is a total loss, though . . . better call the Insurance Adjuster and uncrate the alternate Bats-Mobile!

## Holy Socks! What Bird-Brained Scheme Is Sparrow Hatching Now?

Mr. Bats-Man, sir, this package just arrived. I took the liberty of opening it for you—it's a new electric razor!

Probably a gift from one of my many admirers. Come to think of it, I can use a shave right now!

Just wait until he uses that razor! It's really a Laser beam! So long, you old Bat!

It's the Commissioner, sir. Some diabolical fiend has just robbed the Wessel Foundation Museum . . .

Tell him not to worry—the paintings are all insured for more than they're worth!

Not just the paintings, sir—they stole the whole museum!

What? Give me that phone!

## Suffering Sunbeam! Is This The End For Bats-Man, Or Just Another Close Shave?

They put the whole museum on wheels and stole it in broad daylight? Astounding! Sounds like a new menace has come to Gotham City—or maybe it's just the Seven Santini Brothers!?

Yeeeahhhh!!!

Holy Ichabod Crane!

Oh dear, and good domestics are so hard to find, nowadays!

That death ray was meant for me! I'm up against the archest arch-criminal in my career! Warm up the alternate Bats-Mobile!

Well, I tried all the conventional TV weapons and nothing worked. There's only one way left to destroy Bats-Man—expose him!

**Holy Perversion, Sparrow! That Would Be Indecent!**

Don't you think we ought to close the cave and put the roadblock back up, Bats-Man?

Don't worry about it, Sparrow. If they really wanted to find out where the Bats-Cave is, all they'd have to do is trace the line from the Bats-Phone in the Commissioner's office. TV writers have no logic at all!

Bats-Man! I just received a call from a fiend who calls himself "El Capon". He said that at midnight tonight he's going to reveal your true identity on TV!

Great Scott! We'll have to forget about the museum robbery! There are thousands of Rembrandts and Da Vincis, but only **ONE** Bats-Man!

If I know my super-crooks, the evil El Capon is holed up in a deserted warehouse at the edge of town!

They always are!

Come on, Sparrow. We haven't a moment to lose!!

Listen, Bats-Man . . . let's use Bats-Plan #5 where **you** go through the window and I go through the skylight! Sort of surround El Capon!

Good thinking, Boy Wonderful! In the meantime, let's enjoy the way they shoot this scene holding the camera sideways to give the impression that we're climbing a wall!

It's a trap!

Welcome, Bats-Man! I've been expecting you!

**CRASH!**

What have you done with Sparrow, you fiend?

Holy Benedict Arnold! If you only knew! But don't bother to struggle—that cage is **escape proof**! And in exactly one hour, the entire country will learn your identity!

Wait a second! I'd know that voice **anywhere**! I know who you really are, El Capon—you're Aunt Hattie!

Close, Bats-Man, but not close enough! You seem surprised . . .

Of course I am! I thought tonight's guest villain was supposed to be Laurence Olivier! But how were you able to make that phone call to the Commissioner? I was with you **all the time**! And how were you able to change into that costume so fast?

A lesson I learned from **you** in one of your many boring speeches! Remember the one about **logic** and TV writers? You were right! They have **none**! That's how come we can do things like starting down our Bat-Slide wearing **street clothes** and ending up in the Bats-Cave in **full costume**! But all that doesn't matter now. In a short time you'll be all washed up! **Finished**!

Sparrow, don't go through with your devilish scheme! You **can't** toss all this away—ratings, money, fame . . .

Fame? You call it fame having all my hip friends **laughing** at me?

What difference does it make if they laugh, as long as they **watch the program**! For years, TV tried to reach the so-called sophisticates with "Playhouse 90", "The Defenders", etc. But they wouldn't even **turn on their sets**!

Then along came "**Bats-Man**" and the industry made a revolutionary **discovery**. Give the "in" group **garbage**—make the show **bad** enough and they'll call it "**camp**" and stay glued to their sets!

Holy Nielsen! You mean the swingers are really **squarer** than the squares?

**Exactly**! So let them laugh! Because we laugh too—all the way to the **bank**! And about your little problems, Boy Wonderful . . . remember, I promised you a **Bluebird of Happiness**? Now that you're . . . shall we say "**old enough**" . . . you can start sharing the show's **fringe benefits**! Like, why do you think we have these gorgeous-doll guest stars?

I dig, Bats-Man, I dig! Yeah! Yeah! YEAH!

In a few weeks, the hotly anticipated *Batman v Superman* will debut. If we're to believe the press leaks (we have no way of getting actual... Meanwhile, Superman is distrustful of Batman, whom he views as a vigilante who tramples on civil liberties and causes Gotham City's residents to be told, they loathe each other and get on each other's nerves for myriad reasons both big and small. # THE REAL REASONS BATMAN AND

He keeps tagging Bruce Wayne when he posts pics of us to Facebook.

Every time I invite him to the Batcave, he just complains about the smell of guano.

The way he carelessly lets bullets ricochet off his chest — that guy's gonna put an eye out one of these days!

He thinks it's so hilarious to fly in front of the Bat Signal and make obscene shadow puppets.

He won't stop trying to sell me on home delivery of *The Daily Planet*.

I develop a neural disrupter small enough to fit in my utility belt, and he calls it "one of your cute little Bat-doohickeys."

He's never *once* invited me to the Fortress of Solitude.

That thing he does where he'll save an airplane mid-crash, then pose with it over his head for a few seconds before setting it down safely...We get it, dude: you're strong.

He routinely farts and blames it on Krypto.

He can't use his Super Breath without getting spit everywhere.

The way he pats my stomach and says, "Looks like donuts are YOUR kryptonite!"

Sure, he has super-hearing. But does he super-listen?

He *definitely* stuffs his tights.

## HATE EACH OTHER

WRITER KENNY KEIL ARTIST HERMANN MEJIA

The creepy way he's always sizing up orphans to be the next Robin.

That weird thing he does where he'll just squat on a gargoyle and brood for hours.

He intentionally takes up two parking spaces with the Batmobile so no one will park too close to it.

He always sounds hoarse, but gets mad when I offer him a lozenge.

He uses his acute detective skills to spoil movies that aren't even out yet!

He conveniently manages to disappear into the shadows whenever the waiter brings the check.

If his cape doesn't flap dramatically enough when he jumps off a rooftop, he'll climb back up and keep trying until he gets it right.

He keeps calling me “Clark” in public.

Calls himself “The World's Greatest Detective”...I'm pretty sure I could do the same thing if my enemies left their crime scenes littered with playing cards and live penguins.

Every time Lois is around, he starts with the “faster than a speeding bullet” innuendos.

He won't stop asking about Supergirl.

It takes him at least 30 minutes after every battle to pick all his Batarangs off the ground.

He insists that having a Bat-Plane is technically the same thing as being able to fly. Yeah, uh, no.

# CRIME FOILERS FOR THE MUGGINGS, HOLD-UPS, PURSE-SNATCHINGS AND

## THE PHONY FRONT

ORIGINALLY PUBLISHED IN MAD #161, SEP 1973

Almost all muggers count on the elements of surprise. They attack from behind to avoid tangling with anyone who can fight back. This costume prevents all that. It consists of a two-way suit and shirt. Phoney shoe fronts complete the ensemble. No matter which way mugger approaches, he always thinks he's facing you, and you're watching him.

## THE SPINY ATTACHE CASE

Push-button trigger in the handle instantly releases dozens of porcupine-like telescoping barbed steel spines. Warning "attacker" that spine tips are coated with curate poison guarantees safety...if he hasn't run into them already.

...eaten. The police would like to help but heaven knows they have their hands full with

# THE AVERAGE CITIZEN AND OTHER STREET ATTACK FOILERS

WRITER & ARTIST AL JAFFEE

## THE BALL-BEARING POCKET BOOK

As "attacker" appears, pocketbook-wearer presses trigger and thousands of tiny lightweight plastic ball-bearings are released. "Attacker" is suddenly rendered helpless as he struggles to maintain his balance. Meanwhile, "victim" walks safely away over treacherous ball-bearings with the aid of specially-designed spiked shoes she is wearing.

## THE AIR BAG STRETCH SUIT (OR DRESS)

The idea for this protective device came from auto safety experiments. When "victim" is attacked, air bags instantly inflate and fling mugger violently away. However, caution must be exercised to avoid sudden embraces of loved ones.

# THE SMOKESCREEN SUITCASE

Potential "victim" presses handle and releases huge smoke cloud. Special eyeglasses permit clear vision through the chemical smoke, and the "victim" can take off without fear of bumping into the "attacker," or any other unpleasant object.

# THE MAGNETIC VEST

This garment looks like any ordinary vest but is actually lined with powerful magnets. Anyone approaching magnetic field with metal weapon (gun, knife, ice pick, etc.) is immediately rendered weaponless. However, caution must be exercised by wearer in everyday situations, such as when approaching metal object like a car, fence, lamppost, etc.

# THE GUSHING HANDBAG

Trigger in handbag handle breaks chemical capsules which combine to produce huge puddle of slipperiest goo known to man. Special shoes on "victim" are unaffected by goo, and she walks blithely away while "attacker" goes flying.

# THE VISE-GRIP PURSE

As purse snatcher grabs purse away, handle button (A) is released and trigger (B) unlocks two separate bag halves. Powerful bear trap spring (C) whips bad halves at lightning speed and bone-crushing force onto muggers hand.

# THE EXPLODING HAT NET

Net, woven of extremely fine but strong synthetic fibers, is carefully packed into a hat. When "victim" is grabbed at throat, special collar triggers an explosive device which sends net billowing out over both "victim" and "attacker." Since they are both trapped until help comes, "Attacker" will not hurt "victim" and risk more serious punishment.

# THE BONE-CRUSHING KNAPSACK

Innocent looking knapsack contains spring-mounted flatiron which is released by any violence directed at wearer from the rear. Delivers a blow equal to being hit by a 5-pound weight dropped from the top of the Empire State Building.

# BURGLARIES, BREAK-INS, THEFTS, ROBBERIES

## THE TRAP DOOR WELCOME MAT

Special lock on door is calibrated to accept special key. Any other device such as a jimmy, screwdriver, hair pin, or foreign key sets off mechanism that opens trap door. If homeowners intend to be away for an extended period, it is advisable to leave some food and water in the trap. Otherwise a disgusting sight will greet them on return.

## THE SPRING LOADED WINDOW

When burglar lift lower (inner) sash, it hits mechanism (A) which releases spring (B). Upper (outer) sash comes down with thrust equal to two tons of weight, trapping thief in the act. Too bad if he's a moonlighting pianist.

## THE FEROCIOUS ANIMAL

Since burglar always rings doorbell first to make sure no one is home, this simple set-up effectively discourages him. When doorbell button (A) is pressed, it rings chimes (B) and starts tape (C) which emits thunderous animal roars through loudspeaker (D). Timer switch (E) stops the tape after 5 minutes. If another burglar comes, it starts all over again. Set-up can accommodate 6 or 7 burglars, which should just about cover one night's supply in most cities.

# RIES AND OTHER HOUSE CRIME FOILERS

## THE AUTOMATIC WINDOW BARS

Spears are hidden in window frame. When burglar puts his weight on window sill, switch is activated and spears are released which effectively bar entry to thief. Too bad—*heh-heh*—if he's caught in the middle! Note: floor treadle safety feature (A) which cuts current to spring switch so that a person opening the window from the inside is protected.

## THE SLAMMING SHUTTERS

Innocent looking shutters are hooked up so that lifting window releases spring hinges and they crash on unsuspecting intruder. Naturally, window panes are made of shatterproof glass to avoid cuts and bloodshed and—*ecch*.

## THE GUILLOTINE WINDOW

When intruder raises window beyond a certain point, it pushes lever (A). Lever (A), in turn, pulls string (B). String (B) releases razor sharp guillotine blade (C) which is concealed in the wall above the window. When guillotining blade (C) drops, it presents a steel shield, blocking entry for the thief, and also setting off a bell alarm (D). And if the intruder is slow getting out of the way, it also sets off another alarm...a scream (E).

Listen, Battyman! I'm going to get you and when I do, I'm going to chop you into little bat pieces and sprinkle you over the city. Yeah, yeah, yeah!!!

Something must have influenced him in his childhood to make him sound so wild and strange!

Something did. As a kid he used to watch professional wrestling interviews on TV!

Look! I never saw anything like that in my life!

You mean you missed all the "Star Wars" movies?

Battyman, these balloons are filled with deadly Smylex gas!

I know. When I set them free, they will float up and away from the city!

But won't the loose balloons fly over another area and poison other people?

That's their problem!

Take that!

Take that!

Take that!

Take that!

Wow! This is a historic event! It's the first "gotcha-last" game to the finish!

I know we're mortal enemies, Battyman, but please do me one favor.

Don't save me.

Why not?

Because if I live, they'll just put me in the sequel and I've got an acting career to think about!

What?

Hey, Jerker, I've got a career to consider, too! Wait for me!!!

If you live in a big city . . . or a small town, for that matter . . . the odds are that sooner or later you're gonna be mugged! So, as a public service, MAD offers these lines of dialogue calculated to

# BLUFF THAT MUGGER!

WRITER E. NELSON BRIDWELL ARTIST BRUCE DAY

Gee, you're the **first** person that's **spoken** to me since I escaped from the Insane Asylum's **Violent Ward**!

**Help yourself!** I just want to **warn** you! Since I saw "**Papillon**," I keep my money in a **strange** place!

**Beat it!** There's a **Mafia Contract** out on me, and anybody that's **seen** with me is as good as **dead**!

You're **welcome** to it! I'm sick and tired of trying to **pass** these **marked** bills from the **ransom**!

**Congratulations!** You're gonna be the **tenth** **mugger** I've killed this month with my **Kung Fu**!

Sure, I've got something for you! Where do you **want** it . . . in the **belly** or the **head**?

**Great!** This'll give me a **good workout** for my upcoming **title fight** with **Foreman**!

No, no! You're doing it **all wrong**! Let an **EXPERIENCED** mugger show you **how**!

I like your **style**, kid! How'd you like to move up to where the **REAL** dough is?

**That's it! Fantastic!** You're **exactly** the actor I **need** for my next **picture**!

Take it **all**! I'm **dying** from a **highly-contagious** disease anyway!

Okay, boys! Our stakeout **worked**! Come and **get** 'im!!

Oh, God! **Please** don't let me **kill** again!!

Here's a word you've probably missed: *onomatopoeia*. Since we're a humor magazine, you may think we made it up, like we did those other silly words, *nerfecsterpoc* and *vog*. YOU FOOL!! An onomatopoeia is a word that sounds like the thing it denotes. For example, "buzz" is an onomatopoeia. Get it? # THE DORK KNIGHT DEPT.

The new Batsman cartoon series on TV is said to be based on the dark, moody Batsman movies. (Personally, we think it's based on DC Comics' insatiable desire to milk even more money from the Dynamic Duo!) But since we desire to fill five pages regardless of the worthiness of the subject, here's our version of...

There it is, Commissioner Gorey, the new Batsmobile! Crime villains don't stand a chance in Gothic City now! It has a Batslazer Scanner, a BatsRotor Scope Modulator, Halogen BatsHeadlights, and best of all, a Gyroscopic BatsMug to keep my BatsCoffee from spilling all over my BatsLegs when I'm driving!

This BatsBaby can travel in excess of 200 BatsMiles an hour, and it has a Teflon BatsGrille for ease in scraping off bodies of pedestrians I've creamed in pursuit of the criminals that infest our fair city!

When you add all that to the Luminescent BatsComputer and the Tumescant Crime-sensitive BatsRadar, you can see why I'll be able to stop 100% of the crime 100% of the time for 100 miles in any direction!

Hmm, too bad your system doesn't work within a 100 yard radius, Batsman! Those same fiendish criminals you're talking about are robbing us blind right under our noses!

WRITER **DICK DEBARTOLO**

Batsman! It's the BatsAlarm! Turn on the BatsMonitor! The BatsCam must be filming a crime!

I'd like to turn on the BatsMonitor, Ribbin, but I can't find the freaking BatsRemote! Neuman, my loyal and devoted BatsButler, help!

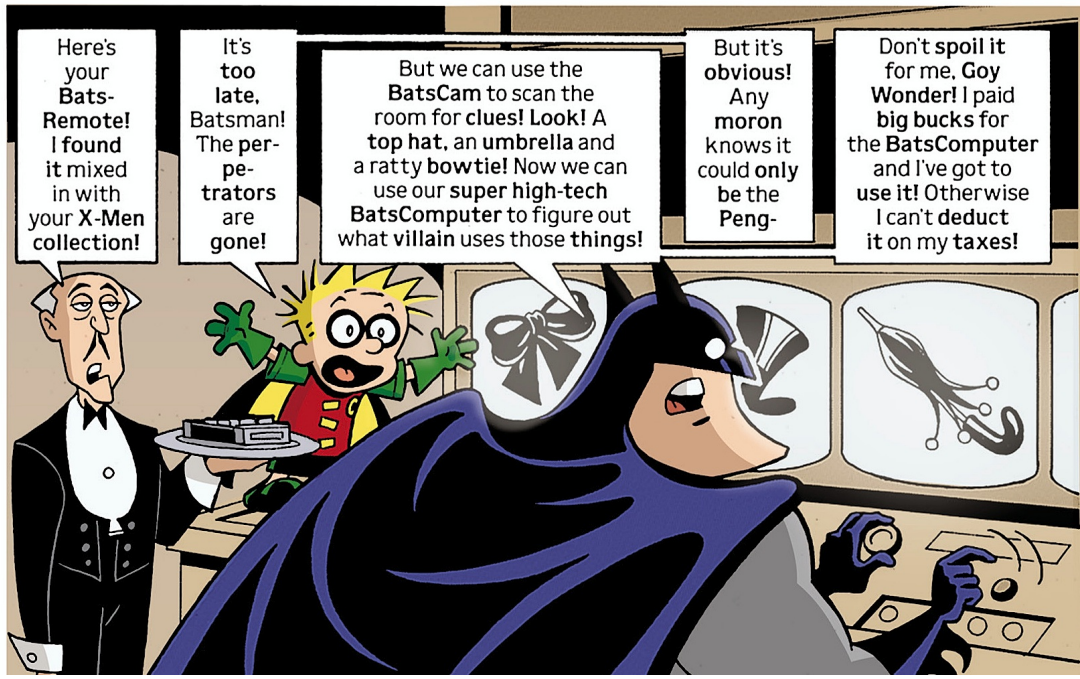

Here's your Bats-Remote! I found it mixed in with your X-Men collection!

It's too late, Batsman! The perpetrators are gone!

But we can use the BatsCam to scan the room for clues! Look! A top hat, an umbrella and a ratty bowtie! Now we can use our super high-tech BatsComputer to figure out what villain uses those things!

But it's obvious! Any moron knows it could only be the Peng-

Don't spoil it for me, Goy Wonder! I paid big bucks for the BatsComputer and I've got to use it! Otherwise I can't deduct it on my taxes!

# BATSMAN

THE ANEMIC SERIES

ARTIST SAM VIVIANO

ORIGINALLY PUBLISHED IN MAD #322, OCT 1993

I just got the weather forecast, Batsman! There's a full moon tonight!

Great! I love it when it's a full moon!

Because it's easier catching villains in the moonlight?

No, because I look really hot when I stand on a rooftop, silhouetted in front of a full moon! *Full moon, tight spandex, you at my side... oh God! Sorry, I was drifting!*

Okay, let's get going! Did you remember to check the BatsOil and the BatsGas?

Yes, and I remembered to charge the Bats-Battery!

What's that terrible crashing sound?

I didn't remember to open the BatsGarage Door! We just smashed through it!

Computer, we have to locate the Jerker!

Impossible! The Jerker's been rubbed out! And Detective Bullhorn has also vanished!

Strange! First the Pengrin, and now the Jerker and Detective Bullhorn are gone! Both good and evil men are disappearing! Any thoughts, Ribbin'?

This is supposed to be a bad year for potholes! Maybe they're even deeper and more dangerous than we realize! Or maybe they all committed suicide! Ya know, Gothic City hasn't had daylight in over 40 years! It gets to people after a while! This place is even gloomier than Seattle!

Why did you stop the Batmobile?

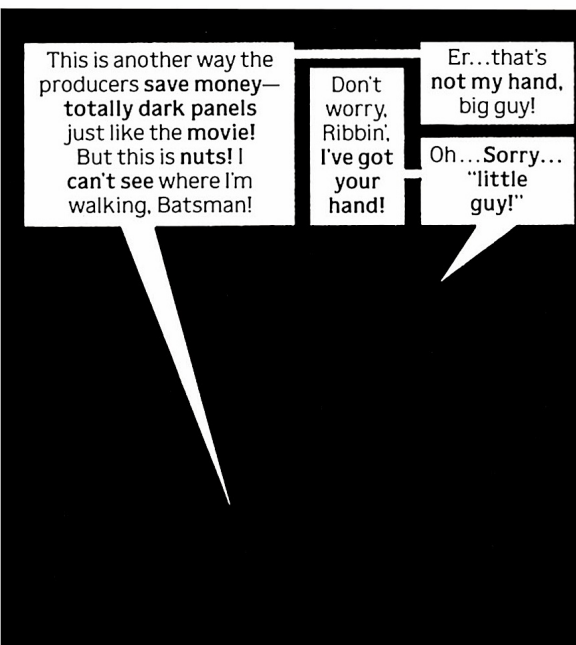

I saw a strange shadow in that warehouse!

How come the audience doesn't get to see the strange shadow?

Because it's much cheaper to do these extreme close-ups! When you just see a pair of eyes, or only a tire, the animators save a bundle on production!

Batsman, this is D.A. Bent!  
More weird happenings!  
Now Position Ivy has  
vanished without a trace!  
Is D.A. Bent in  
your tights, too?

No, silly, I  
just have a  
police radio  
in there hooked  
up to a pair of  
stereo speakers  
in my socks!

I just don't understand  
it! Seven of Gotham's most  
notorious villains have  
disappeared, along with  
two of my friends on the  
police force! Who can  
be rubbing them out?

I don't know,  
but whoever it  
is believes in  
equality! They're  
rubbing out the  
good and the bad!

It's  
obvious  
we're dealing  
with a  
Politically  
Correct  
Killer!

Batsman, you own 45  
different enterprises,  
but one of them makes  
more money than the  
other 44 put together—  
Wayne-Co Replacement  
Windows, Incorporated!

You've finally figured out  
why I never enter through a  
door! I always smash in  
through a picture window  
or skylight! Replacing them  
costs a fortune and Wayne-Co  
has all the contracts!

I haven't  
seen  
Neuman  
around  
today!  
Do you  
know where  
he is?

I'm  
afraid  
I had  
to let  
him  
go!

After all  
his years of loyal,  
dedicated  
service  
to you?  
Why?

He doesn't have a Green Card!  
Ever since the Clinton/Zoë Baird  
fiasco the press is making a big  
deal about people who hire illegal  
aliens! I couldn't take the chance!  
God, how I'll miss his long...  
slow... slow... rubdowns! But I'm  
drifting again!

Ribbin', look!  
Whoever or  
whatever  
has been rubbing  
out the others  
is now rubbing  
me out!

Do you  
have  
any  
idea  
who it  
is!?!?

No, do you? Better  
answer me quick,  
Ribbin', before  
he erases my ears  
and I won't be able  
to hear you!  
Nuts! There they go!

I, Adam West, erased Batsman! Enough is  
enough! I was the greatest TV Batsman  
for years! But when they made two  
Batsman movies who did they call? Me?  
No, that creep Michael Keaton! Now they  
have this moronic cartoon show! Again,  
do they call me to do Batsman's voice?  
Nooo! And what about my old pal, Burt  
Ward, the greatest Ribbin' ever?! Sure,  
he's 57 now, and he's put on a few  
pounds, but he's a spry 57 and  
would make a swell Goy  
Wonder! With this Batsman  
gone maybe my BatsPhone  
will start to ring...ring  
at last!

# CRIME

We are in the midst of the worst crime wave in history! And what's the biggest cause of crime? **Drug addiction!** Drug addicts have to steal to finance their habit!

I say they should take all the drug addicts and put 'em in **Concentration Camps!** Let 'em prey on each other, and leave us honest folks alone!

That is the worst, **Fascist, un-American idea** I ever heard of! Besides . . . think of all the money that would be wasted!

Huh? What money would be wasted?

All the money I spent burglar-proofing my home!

You—you're back here again?!

Yep! This is the **third time** my house was broken into—and my television set stolen!!

And you have to **replace** it again, eh? Let me show you our stock . . .

As you can see, we have a large variety!

How about this one?

I **don't recommend** that model! It'll give you nothing but trouble!

Good! I'll take it!!

Let the next house-breaker suffer!!

See this lamp! It's connected to a gadget that **automatically** turns the light on at dusk! A light is supposed to scare off burglars when we're not home!

Isn't that **ingenious?!** Modern-day Technology has made such great strides!

**Big deal!** It didn't do **ME** any good! We were ripped off anyway!

**Really?** How did that happen?

It happened **because** of Modern-day Technology!

The bulb in the lamp blew out!

There were so many reports of burglaries and break-ins that I figured I'd better do something to protect myself!

So I bought myself a double-barrelled shot gun, and put it under my bed—just in case!

Sure enough, I come home one night . . . and there's a burglar in the house!

Did you get your shot-gun?

No . . . the **BURGLAR** was hiding under the bed!!

The crime rate is so high, many Insurance Companies won't sell Theft Insurance! And they cancel existing policies when they run out! So if you really want Theft Insurance you have to pay exorbitant prices for it!

But I felt that insuring my material possessions was more important than saving money, so I paid the big premiums, just to have peace of mind!

But you hardly **HAVE** any possessions!

I know! I've been selling them off to raise money to pay the big premiums!

Oh, darn! I don't have any paper bags! What am I going to do with this stuff?

You've got a shopping bag! Use that!

Sometimes, you actually make sense! I'll be right back! I'm taking it downstairs . . .

HEY!!

STOP, THIEF! STOP!!

What'd he steal??

HE—HE STOLE MY GARBAGE!!

## BEHIND THE PERPETRATE BALL DEPT.

You'll never see them or their despicable act portrayed on an episode of *Cops*, but in their own sick, twisted way, they are as big a threat to the fabric of society as any you could possibly imagine! Here are...

**RITA**

Guilt tripped her neighbors into buying her son's fundraiser chocolates.

**JERRY**

Cheated in wiffle ball with his own kids

**BURT**

Nodded off and started snoring at his daughter's ballet recital.

**MARIA**

Skipped pages while reading bedtime stories to her three year-old son, thinking he wouldn't notice.

**BARB**

Doesn't really sing along at her kid's birthday parties but just moves her lips, pretending.

## DON'T WAYNE ON MY PARADE DEPT.

Movie-goers were a bit surprised by the latest movie adaptation from DC Comics. It wasn't just another summer superhero popcorn flick! It explored serious themes! It was an allegory for our times! In fact, an academic presentation entitled *The Doppelgänger Denied: Batman and the Duality of the Mythic Vigilante* got an award at this year's San Diego Comic-Con. It came in a strong second to *Scrappy-Doo: Vestigial or Essential?* No wonder criminals and fanboys alike call this guy...

I'm Battyman! Despite my costume, some have suggested that Bruce Whine is my real mask — that I hide behind black-tie champagne parties, 400-foot yachts, and unemotional group sex with runway models who'll never know the real me! How long can a person keep living a lie? Me, I'm giving the pretense just 30 more years. Maybe 35, if my knees hold up!

What drives me to do this? I could have used my hundreds of billions to fund youth centers, neighborhood watch programs, and enhanced urban security. Or I can dress up like a giant rodent and punch guys in the nose — my choice was clear!

I used to think it was bad driving Miss Daisy. But now I'm just the auto mechanic for Mister Crazy! In this story, there are actually two of us in charge of manipulating stiff mechanical props — myself, and Christian Bale's vocal coach!

I've invented, designed and hand-built an entire line of futuristic gadgetry and weapons: Batty-cars, Battycycles, Batty-costumes, Batty-computers, Batty-bombs, you name it! But no one must know about my work! So I'm forced to do everything by myself! That is, when I'm not busy running the company, doctoring the books, and jetting back and forth to Hong Kong! That workload may explain my physical appearance...I'm only 28 years old!

# THE

A good butler always uses his discretion for keeping secrets! Like Mr. Whine's secret identity! And his secret love! And apparently, his secret elevator that secretly leads to the secret basement that we're supposed to assume was secretly built smack in the middle of a preexisting skyscraper without anybody noticing! You know who else needs a secret identity? The screenwriter who came up with this impossible bushwah!

In the accursed, hellish nightmare that is Gothic City, there's only one solid and permanent thing for the citizens to rally around — my incredible hair! Last week, I was on the covers of the *Harvard Law Review* and *GQ*! These pretty boy looks didn't hurt in stealing away Bruce Whine's old girlfriend, Radish Dawson, either. She's TOTALLY into me, and me alone! My only concern is that she can't get aroused unless we have sex on top of the Batty-signal!

# DORK KNIGHT

With Gothic City falling to pieces, it only makes sense that they'd choose a police commissioner who looks like Disney's Chicken Little!

When I took over, corruption was rampant and the mob had its hooks in the department! But now, I run a clean, honest police force, along with my trusted personal lieutenants, Officer Vinnie Two-Chins and Officer Carmine the Octopus! They've assured me that it's just a streak of bad luck that 50 of our formerly mounted police have woken up to find their horse's severed head in their bed!

Hoo hoo hoo hee! Say hello to the most terrifying big screen vision of the year, not counting Pierce Brosnan singing ABBA songs! Mamma mia! At heart, I'm just a man who loves to laugh! But I laugh at senseless destruction! I laugh at chaos, and pain, and anguish! I can find the humor in anything! Except that Dane Cook guy. Just not a fan!

The scariest thing about me is my insane unpredictability! You never know what I might do next! Like when I bombed a hospital! Or when I bombed a city jail! Or when I bombed a judge's car, or bombed a warehouse, or tried to bomb two ferryboats...okay, so maybe you have a *tiny* inkling of what I might do next!

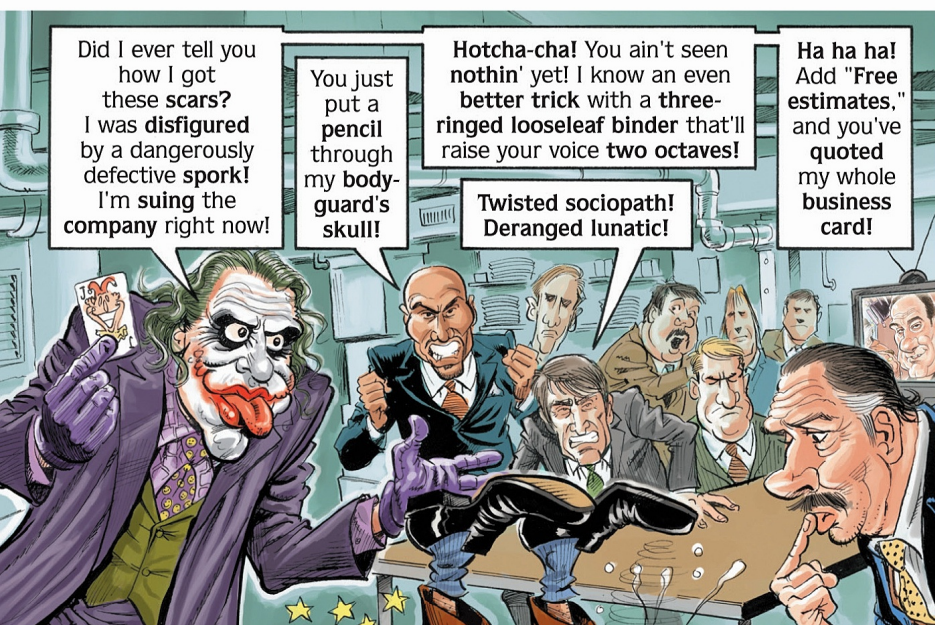

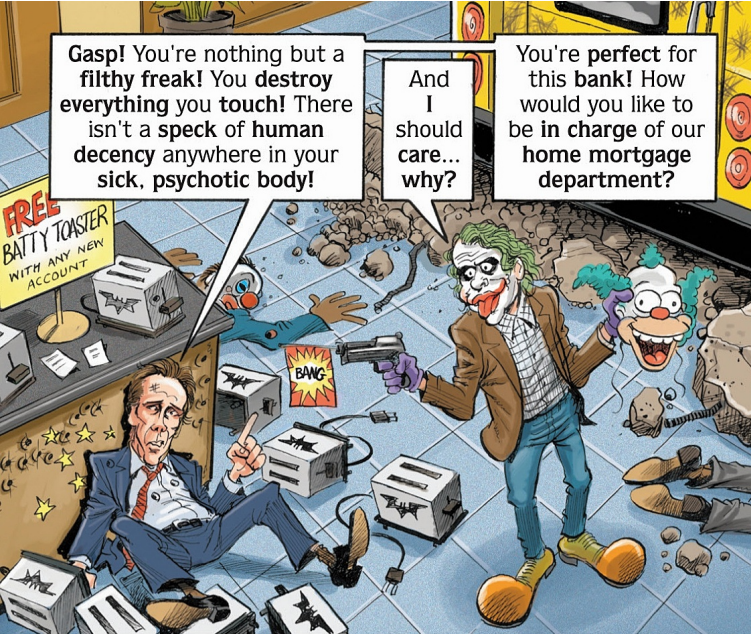

BUDDA  
BUDDA  
BUDDA  
BUDDA!

I'm emotionally torn between Bruce Whine and Harvey Dink, two men who share the same goal of cleaning up this city! Everyone has a "type," and mine is schizophrenic, obsessive-compulsive do-gooders! Oh, well, at least I still pick 'em better than Jennifer Aniston does!

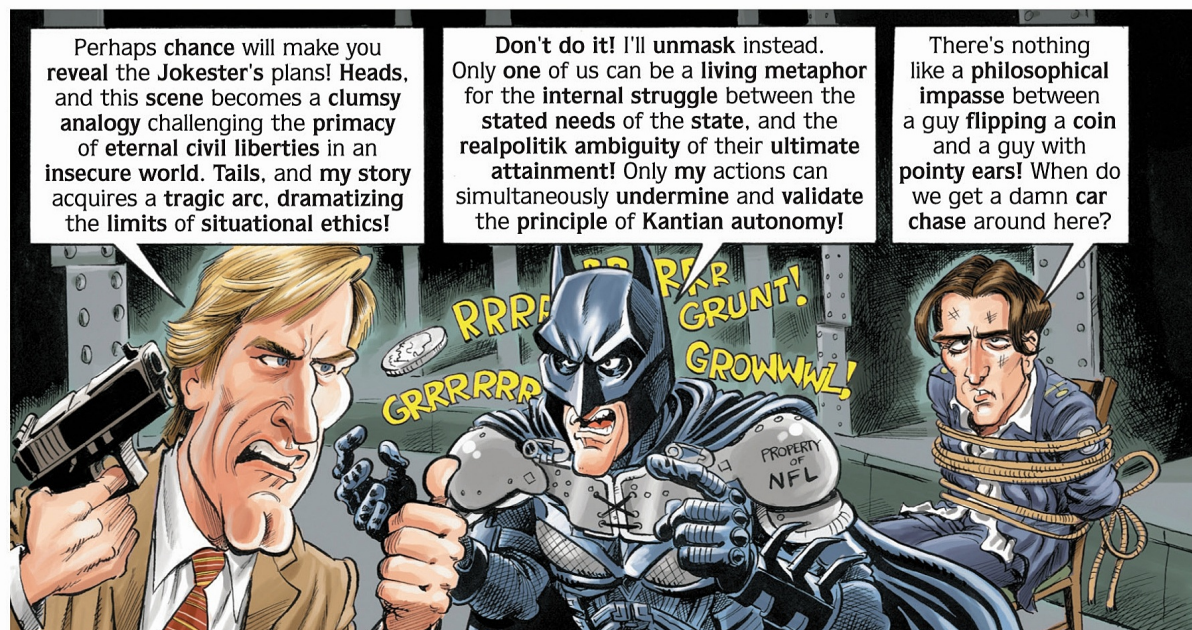

But I can never give myself fully to a man who's addicted to a rubber suit! Except for that one time in Cancun, but I was young and really drunk! I love Bruce, I do. But how can I live with a man who could get himself killed at any moment, and who has no heirs of any kind, leaving me as a 30-year-old widow with a 400 billion dollar inheritance? Er...on second thought, maybe the Jokerster isn't the craziest one in this movie!

Hold it! What about ME — Katie Holmes? I'm the only performer from the last movie to be replaced! Even the freakin' Scarecrow got a return cameo! How bad an actress do I have to be, to not be up to the thespic challenge of nailing dialogue like, "You came back. But the man I loved is still missing"? My luck might've been different if my husband, Tom Cruise, had been chosen to play the Jokerster! Unfortunately, after the producers saw him cackling and bouncing on Oprah's couch, they said he was way too over-the-top for the role!

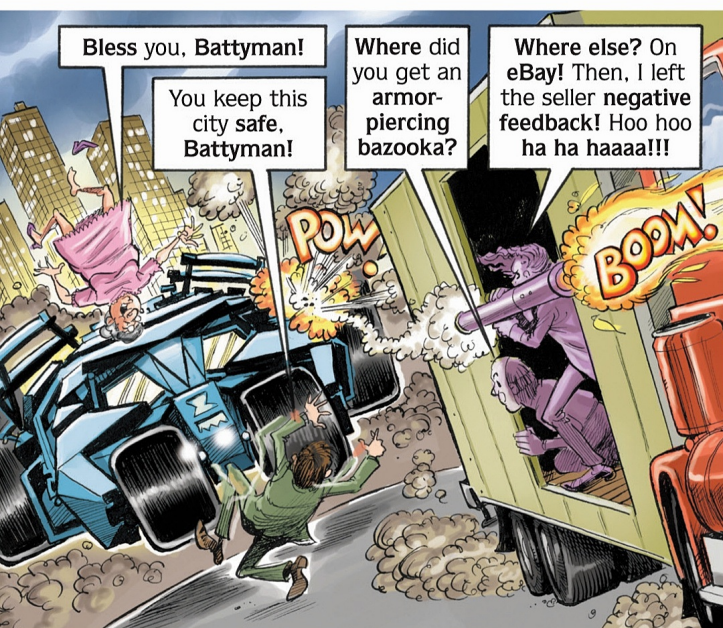

Hey, look! At the big press conference to reveal Battyman's true identity, we've got 100 reporters, 100 cops, 100 politicians, and for no apparent reason, bajillionaire Bruce Whine! There's nothing suspicious about that!

This is a Battyman press conference? Phooey! I assumed it was yet another elected official admitting that they're gay!

Remember, the night is darkest just before the dawn! The only thing to fear is fear itself! United we stand, divided we fall! Snug as a bug in a rug! The squeaky wheel gets the grease! And now, since I've run out of vapid clichés, you may arrest me! I am Battyman!

Bless you, Battyman!

You keep this city safe, Battyman!

Where did you get an armor-piercing bazooka?

Where else? On eBay! Then, I left the seller negative feedback! Hoo hoo ha ha haaaa!!!

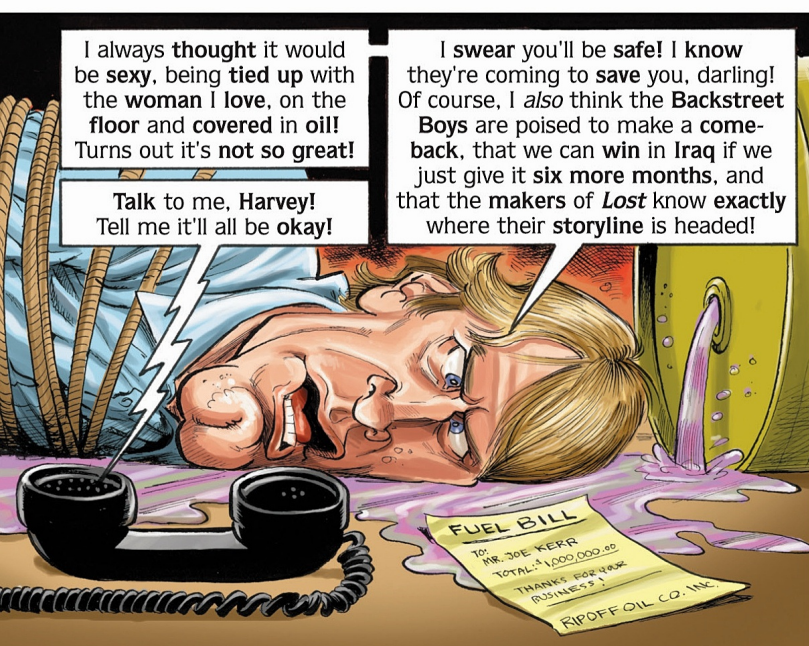

Gently! Gently! You'll smear my makeup!

You have the right to remain silent, especially after I knock you unconscious! You have the right to have an attorney present during questioning! If I were you, I'd pick one who's a blood donor match!

Aha! Listen to Battyman's ridiculous growly, gravelly voice! I just figured out his secret identity!

Cookie! Me want cookie!

I always thought it would be sexy, being tied up with the woman I love, on the floor and covered in oil! Turns out it's not so great!

Talk to me, Harvey! Tell me it'll all be okay!

I swear you'll be safe! I know they're coming to save you, darling! Of course, I also think the Backstreet Boys are poised to make a comeback, that we can win in Iraq if we just give it six more months, and that the makers of *Lost* know exactly where their storyline is headed!

FUEL BILL  
TO: MR. JOE KERR  
TOTAL: \$1,000,000.00  
THANKS FOR YOUR BUSINESS!  
RIPPOFF OIL CO., INC.

Good, you're awake! Did I ever tell you how I got these scars? I saw *You, Me & Dupree* and laughed so uncontrollably that I ripped my own face apart! Kate Hudson lights up the screen!

Aaarghhh! You! Your bombs...killed my fiancé! Burned half my face off!

Just think of it as an extreme makeover!

ALOE

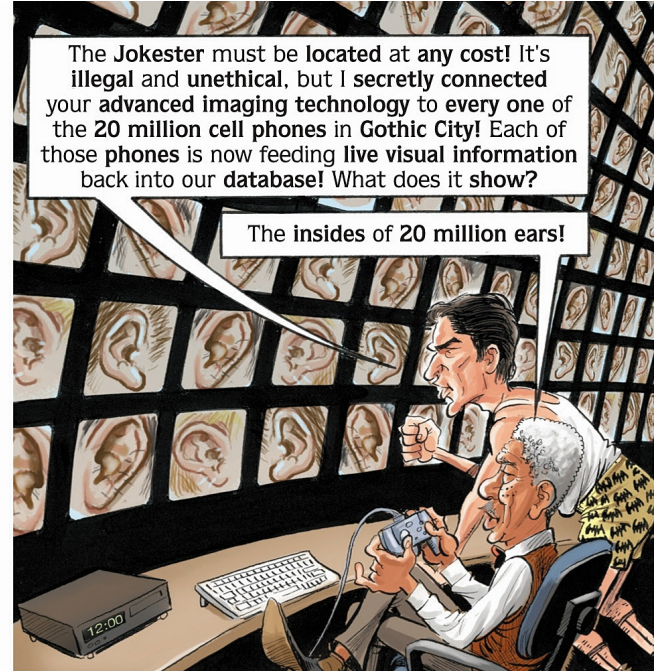

The Joker's plot is diabolically simple! Somehow he guessed which two ferryboats to put two bombs on. Each boat has a detonator! But *our* detonator is connected to the *OTHER* ship's bomb, and vice versa! *Either* boat can save itself from being killed by exploding the *other* boat! However, *one* group of passengers must trigger its detonator by midnight, or else Joker will blow up *BOTH* boats! That is, unless the Joker deliberately provided false information about the detonators, the deadline, or the...

SHUT UP! SHUT UP! Push the button already! Getting blown to pieces will be a pleasure after all that nonsense!

The Joker must be located at any cost! It's illegal and unethical, but I secretly connected your advanced imaging technology to every one of the 20 million cell phones in Gotham City! Each of those phones is now feeding live visual information back into our database! What does it show?

The insides of 20 million ears!

Finally, I've got you roped and tied, with your butt up in the air! I'll bet you're relieved that this is a mainstream action movie and not *Brokeback Mountain 2*!

Wake up, Battyman! We did the *Brokeback Mountain* joke 12 panels ago!

I know! But I'm stuck for a gag, and for jokes about OD-ing on illegal prescription drugs, it's still "too soon"!

Heads, your boy lives! Tails, he dies! A flip of my coin will decide!

What about my wife and daughter? Or Battyman? Or myself? Or you?

Okay, have it *your* way! Let's decide this with a game of Yahtzee!

The public must never learn what Harvey did! There's only one way to cover this up. Me! Blame his police killings on me!

But wouldn't it be even easier to blame the murders on Joker?

Maybe! But this is the best plan I can suggest right now! I just hope my thinking hasn't been too affected by the fact that I just fell four stories and probably have a grade-2 concussion!

Now that you're being hunted by the police, I've whipped up a snazzy cloaking device for your Battymobile! It'll help you escape detection as you drive on your nightly patrols!

Forget it! I can't afford to keep running the Battymobiles anymore, plus the Battycycle, and a Battyplane besides. With current gasoline prices, I'm bankrupt!
